Foundation of the Faithful Pakistan

Dear Mr.Younas Shahid

Sectary General

Foundation of the Faithful, USA

Subject: Winter Package 2015 Project Proposal

A project titled "**Winter Package 2015 Project Proposal**" is attached with this letter for your kind consideration. As you know that winter is around the corner and flash flood victims 2015 in Chitral and Punjab and deprived community will suffer a lot to prevent themselves from the cold blaze of winter due to inadequate resources. This project aims to provide one quilt for one needy person.

We request FOF USA to provide adequate funds for this project to facilitate maximum poor community across the country.

The cost of one quilt is estimated at **USD 11 PKR 1100**, while total cost of this project is **(USD 16,500)** for 1500 packages including other charges. (1 USD= PKR 100)

We hope you will approve funding for this project.

With regard

Muhammad Khalid

President

Foundation of the Faithful, Pakistan

Introduction: Foundation of the Faithful, Pakistan

Foundation of the Faithful, Pakistan is a registered welfare community based organization working for the uplift of community through community participation. Specific areas of involvement are education, health, emergency relief in war and natural disaster, prisoner relief and general welfare with special focus on rural education.

Foundation of the Faithful Pakistan has been providing relief and welfare services in Pakistan for the last many years. By providing relief, we are developing a pool of resources which have a continuous flow to fulfill the immediate and basic needs of the deprived or disaster-stricken People.

Need of the Project:

Because a large number of population is living without basic amenities of life and can't afford to buy winter stuff for their families , while winter is too around the corner and under open sky parents are not in this position to buy and prevent their kids from deadly cold. So the Foundation of the Faithful Pakistan proposes to support 1000 individuals by free distribution of winter stuff.

Implementation Strategy:

- A survey is being conducted by Foundation of the Faithful, Pakistan and its partner organizations to identify where the neediest persons are.
- Each package is for one person only.
- FOF Pakistan and its partner organizations will implement and supervise the project. A Relief Card will be issued per target individual, well before the distribution date.
- Relief Card will include complete information about the beneficiary in Urdu (English version attached).
- All items will be purchased as per given specifications, following procurement policy of Foundation of the Faithful, Pakistan.
- Winter stuff will be made available for distribution point well before distribution ceremony.
- Proper arrangements will be made for donor visibility and publicity.
- Banners and other publicity material will be used during packing, loading, and distribution process.
- Reports (with photos) will be sent to partner organization within one month of project agreements signing.
